Date: \_\_\_\_\_

Yacht Name: \_\_\_\_\_

FendElegance Fender Covers are available in Tailored Sizes.  
Please fill in the Dimensions to have us create Tailored Fender Covers.

Name Brand of Fender (if known)	Model Name/#/or Size	Quantity of Fenders this size
------------------------------------	----------------------	-------------------------------

Dimension of End Contour

Dimension of Contour

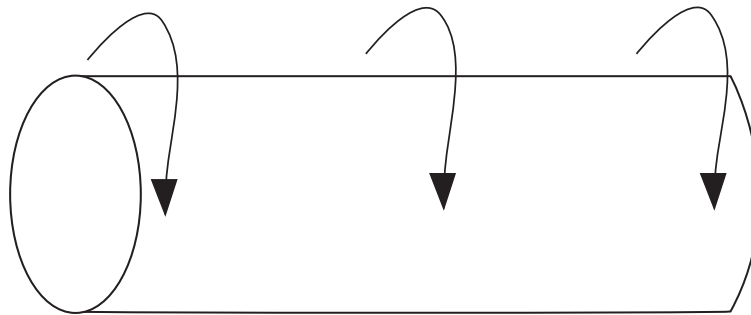

If the fender contours greatly before the seam tape, measure from the 'flat' to the outside of seam tape.

ACTUAL DIMENSIONS

Length of Fender  
(outside edge of seam tape to outside edge of seam tape)

Measure from the horizontal to the outside edge of seam tape.

Circumference of Fender  
(measurement around fender. Take 3 Measurements,  
one at each end and one in the center of fender)

NOTE: If at all possible, Please take photos of these measurements to help with accuracy. Thanks
